Capital to Expand: Goldman Sachs *10,000 Small Businesses* will work with local, regional and national Community Development Financial Institutions (CDFIs) and other mission-driven small business lenders to expand access to capital for local businesses. Through these partnerships, loans will be available to qualifying small businesses that lack access to affordable capital or may not qualify for traditional sources of credit.

A Network of Support: Through the program you will get opportunities to learn from other like-minded business owners, receive expert advice from business professionals and get one-on-one business advising.
